

Katanning Gold Project Community Reference Group – Expressions of Interest

Ausgold Limited is seeking expressions of interest from community members (individuals) and senior representatives from organisations to volunteer as members of a Community Reference Group for the Katanning Gold Project (KGP). The Reference Group will work together to identify effects and help develop initiatives that support biodiversity, land management and community resilience and prosperity. The Reference Group will enable an exchange of information between Ausgold and members from community, business, and government on:

- Municipal and community infrastructure, services and assets
- Regional economic development
- Land, vegetation and water
- Environmental and community impact management (including offsets)

Meetings will be held at least every three months, with the option of special meetings on priority matters.

To learn more about the Community Reference Group, its aims and how to express your interest, visit the 'Community' page at www.ausgoldlimited.com or click on the QR code.

The expression period closes at 5pm, Monday 11 November 2024.

For more information, send an email to community@ausgoldlimited.com or call us on the dedicated community mobile: 0423 802 725.
